Overview K60 Pro:

The CORSAIR K60 PRO Mechanical Gaming Keyboard is built with a durable brushed aluminum frame and CHERRY MV mechanical keyswitches that let your vivid per-key red LED backlighting shine through.

Overview RGB Pro SE:

The CORSAIR K60 RGB PRO SE Mechanical Gaming Keyboard is built with a durable brushed aluminum frame and CHERRY MV mechanical keyswitches that let your vivid per-key RGB backlighting shine through.

Features K60 Pro:

BEAUTY AND BRAWN

Built with a brushed aluminum frame with black anodization for a stylish, modern look and years of battle-tested durability.

THE BRIGHTEST OF THEM ALL

Stand out from the masses with CHERRY MV — their transparent design allows for greater diffusion of light, displaying the full radiance of CORSAIR iCUE RGB lighting.

CHERRY MV keyswitches feature eight guide rails for a stable keypress, while smooth cross-linear activation and a fast reset deliver precision, performance, and comfort while gaming.

INTELLIGENT CONTROL. UNLIMITED POSSIBILITIES.

CORSAIR iCUE software enables vivid dynamic lighting control, sophisticated macro programming and full-system lighting synchronization across compatible CORSAIR peripherals, coolers, fans and more.

Features RGB Pro SE:

YOUR LIGHTING, YOUR WAY

Illuminate your desktop with vivid RGB backlighting.

Programmable with CORSAIR iCUE Software

Vivid dynamic RGB lighting control, sophisticated macro programming, and full system lighting synchronization compatible with CORSAIR peripherals, coolers, fans, and more. Experience an unparalleled level of immersion when playing iCUE-integrated games, as your RGB lighting dynamically reacts to in-game actions and events in real-time.

BEAUTY AND BRAWN

Built with a brushed aluminum frame with black anodization for a stylish, modern look and years of battle-tested durability.

DETACHABLE PALM REST

Easily slides into place, with a soft-textured surface and memory foam cushioning for the plush comfort to breeze through hours of gaming

PBT DOUBLE-SHOT KEYCAPS

Precision-molded keycaps with a standard bottom row layout resist wear, fading, and shine, with 1.5mm thickness for rigid stability.

NTELLIGENT CONTROL. UNLIMITED POSSIBILITIES.

CORSAIR iCUE software enables vivid dynamic lighting control, sophisticated macro programming and full-system lighting synchronization across compatible CORSAIR peripherals, coolers, fans and more.
